 **shoes seller - suspected spam - pestafango.it**

« on: April 27, 2015, 09:06:02 PM »

I have ordered shoes on this website (pestafango.it). I have received shoes which weren't the one I have ordered. They have debited my credit card (115 €) and now I'm trying to send the shoes back but there is no address, phone

Hi, i had same problem. i ordered two pair of shoes on pestafango. When i received the goods, i had to pay 30 euros for "admission tax reasons" (shoes were sent from Shanghai) and when i opened the box i've found two horrible pair of shoes. They were absolutely faked (one had the Gucci symbol everywhere and by the way i ordered calvin klein and lola ramona so...) i wrote them and they replied to me saying it wouldn't been convenient for me to send them back because i would had to pay the shipping fees.... i reported this to the police but so far.... nothing this is the email address i was writing to: lison.salemanager@hotmail.com. good luck but no hope to have your money back...
